FINAL STUDENT EVALUATION OF MFC INTERNSHIP

Guidelines for Students

This evaluation consists of two parts:

Part A asks you to evaluate your entire internship experience. Your comments and suggestions regarding the internship will assist the MFC staff to continue to improve the overall internship process.

Part B asks you to evaluate your own development throughout the placement and is geared to increasing your awareness of your personal and professional skills, interests and values. Gaining insight into these areas should contribute to your formulation of future career plans and objectives. Please add extra pages if necessary to answer the questions.
