MFC PROGRAM – INTERNSHIP

SUPPLEMENTARY TRAVEL HEALTH INSURANCE

It is your responsibility to ensure that you have adequate medical insurance coverage during your internship. You should be aware that your provincial health care plan/UHIP may not provide adequate coverage while outside of Canada. It is strongly recommended that students on international placements purchase supplementary travel health insurance. Supplementary coverage must be purchased prior to departure from the province (allow approximately 2 - 3 weeks for processing). The rates vary according to benefits purchased.

Please provide the information requested below and return this form to Kathy Giesbrecht before your departure.
