Join this amazing Wildlife Care & Rehabilitation opportunity to make a tangible and lasting impact in the lives of rescued, injured and orphaned wildlife. Work at the African wildlife sanctuary with lions, leopards, cheetahs, wild dogs, caracals, warthogs, baboons, antelope, and small mammals. In return, you are provided with an experience of a lifetime, take a hands-on role in animal rehabilitation and conservation, and meeting people from around the world while working in Africa.

Main activities include:

- ✓ Food preparation and feeding of animals
- ✓ Daily care of animals
- ✓ Providing enrichment activities for animals e.g. walking with baboons in the bush
- ✓ Cleaning and maintaining enclosures
- ✓ Building new facilities
- ✓ Game counts on the farm
- ✓ Educational and recreational activities for volunteers include swimming, soccer, bush walks, shopping in Windhoek, and learning traditional bush craft from the San.

Book online from 2 to 12 weeks and secure your place. Included is airport transfer, accommodation and 3 meals a day.
