## John H. Daniels Faculty of Architecture, Landscape and Design

### 2020/2021 Forestry Graduate Academic Timetable

A list of all core courses for each Forestry graduate program may be found in the SGS Calendar at:

<https://sgs.calendar.utoronto.ca/degree/Forestry>

Graduate students are directly enrolled into their Core Courses by the department. Please contact us at [forestry@daniels.utoronto.ca](mailto:forestry@daniels.utoronto.ca) if you have any questions or issues with core course enrolments. Graduate Students are responsible for enrolling themselves into Elective Courses via [ACORN](#).

#### NOTES:

For these courses, a "Request for Individual Reading and/or Research Course" form must be completed jointly by the student and the responsible Forestry staff instructor and submitted to the Graduate Administrator in ES1016H by the appropriate SGS course add deadline.

3. **FOR3012H** Analytical Methods in Forestry

Please note that the class will not take place for the entire scheduled time weekly; please check the course syllabus for specific information on weekly lectures and labs times.

4. Forestry graduate students are now able to take various electives offered through the John H. Daniels Faculty of Architecture, Landscape and Design, for more information on available electives please visit <https://www.daniels.utoronto.ca/info/current-students/graduate/course-descriptions>.

## Codes Used in the Timetable Listings

### Course/Section Code and Title

You may review the course description related to any Daniels forestry course at: <https://forestry.utoronto.ca/current-student-resources/>  
'Course Code' with the eight digit course code, e.g. FOR1001HY

### The final letter of the course code is the section code:

F indicates that the course meets in the fall/first session (Sept. to Dec.)

S indicates that the course meets in the spring (winter)/second session (Jan to Apr.)

Y indicates that the course meets through the full academic year (Sept. to Apr.)

The first line of each course title matches the course title found within the School of [Graduate Studies Academic Calendar](#). A subtitle, which gives additional information about a course meeting section, may or may not also be shown.

### Delivery Methods:

#### In Person vs. Online:

Fall term courses will all be able to be taken fully Online at Daniels. When circumstances allow, some additional opportunities may be made available to attend in person events or to use in person resources.

Daniels is currently planning to offer all Spring term courses in person (\*). (\*This will be subject to any adjustments that are imposed by public health requirements for physical distancing.)

#### In Person (INPERS):

A course is considered to be offered In Person if it requires attendance at a specific location and time for some or all course activities. (\*) (\* Subject to adjustments imposed by public health requirements for physical distancing.)

#### Online – Synchronous (SYNC):

A course is considered Online Synchronous if online attendance is expected at a specific time for some or all course activities, and attendance at a specific location is not expected for any activities or exams.

#### Online – Asynchronous (ASYNC):

A course is considered Asynchronous if it has no requirement for attendance at a specific time or location for any activities or exams.

### Day, Time, Location and Faculty members:

The day of the week is represented by the leading letter of each weekday (except for Thursday), i.e. **M**onday/**T**uesday/**W**ednesday/**Th**ursday/**F**riday.

Course meeting times are shown using a 12-hour clock format with am/pm and all times shown are in Eastern Standard Time (i.e. local to Toronto, ON time).

Each meeting location consists of a two-letter building code followed by a room number or a TBA.

Building locations can be found at: <http://map.utoronto.ca> Room descriptions for University of Toronto buildings can be found at: <http://ace.utoronto.ca> under 'Room Info'. This website includes Accessibility information related to rooms, buildings and building amenities.

Faculty profiles and contact information can be found at <https://forestry.utoronto.ca/faculty-members/>
