

Instructions on Accessing the Mandatory Health and Safety Awareness Training in the Portal

My EHS Training is ONLY accessible from the U of T campus, OR through VPN access to the server, available for all faculty, staff, and students who are working away from the campus.

The Cisco AnyConnect Client must be installed before using UTORvpn on windows to access Portal if you are away from campus. Here is the direct link:

<https://onesearch.library.utoronto.ca/ic-faq/40539>

1. Go to <https://ehs.utoronto.ca/training/my-ehs-training/>
2. To obtain EHS002 Basic Health and Safety Awareness Training (BHSAT), University has transitioned to [Quercus https://q.utoronto.ca/](https://q.utoronto.ca/)

This training consists of a quiz 5 questions. Click here to begin to the quiz: <https://q.utoronto.ca/courses/82666/quizzes/50676>
